TC Meeting Date: 18 Jun 2021
Reporting Chair: Brad Kizzort
Group page (URL): <http://space.omg.org/>
Group email: space@omg.org

Space DTF

- **Highlights from this Meeting:**

- Reviewed status of active RTF's
- Reviewed submission for CubeSat System Reference Model
 - Voted to extend revised submission deadline for CSRM to December meeting to allow resolution of some broad issues (clarity of element/stereotype definitions) prior to finalization.
 - Current submission is being used by numerous organizations, including NASA and Aerospace Corp.
