
AB Process Change Management Subcommittee (ABPSC)

- **Highlights from this Meeting:**

- Review of Jira issues (<https://issues.omg.org/browse/ABPSC>)
- Manfred Koethe volunteered to review and catalog issues with specification catalog (<https://omg.org/spec/>), will file ‘mega-issue’ with Jira for later disposition
- Discussion of applicability of BCQ process in some situations (foundational specs)
- Review of RFP and RFI template updates, approval of posting on template download page
- Status of AB guidance documentation
- Change to AB ‘employer approval letter’ for nominations, sent to AB for approval

- **P&P changes (Three issues)**

- Changebar: [pp/22-09-01](#)
- Clean: [pp/22-09-02](#)

- ABPSC-27 : Clarify AB email vote window
- ABPSC-30 : Add section 3.3 to include language defining attendance to include online presence
- ABPSC-42 : Move critical sentence higher for visibility

- We will review (and potentially vote) as the last action of the PTC, and the first action of the DTC.
